

Supplementary material for the Results of the Third quarter of Fiscal 2006

February 6, 2007
NTN Corporation

This presentation and comments made in this conference or during the following Q&A session include forward-looking statements about management expectations for future performance and future business strategies. These statements represent the best judgment of the management of the company based on the information currently available. However, there can be no assurance that future results will meet any expectation, estimate or projection conveyed by these statements or comments. Actual results may differ materially from management projections depending on various factors such as changes in product demand, exchange rates and interest rates.

Financial Results for the nine months ended December 31, 2006 –consolidated-
