Special Application Bearings Contents

ULTAGE series Sealed four-row tapered roller bearings for rolling mill roll necks [CROU...LL type]	C- 2
ULTAGE series Sealed spherical roller bearings [WA type]	C- 6
ULTAGE series Spherical roller bearings with high-strength cage [EMA type] ...	C-10
ULTAGE series Deep groove ball bearings for high-speed servo motors [MA type]	C-14
Four-row cylindrical roller bearings	C-18
Four-row tapered roller bearings	C-36
Ultra-thin section type ball bearings	C-58
SL type cylindrical roller bearings	C-66
ULTAGE series Precision rolling bearings for machine tools	C-76
Bearings for special environments	C-76
Rubber molded bearings	C-76
MEGAOHM™ series insulated bearings	C-77
Clutches/torque limiters	C-77
