

**2. Introduction of technical reviews**

No. 87 (November 2019)  
Special issue on  
"Automotive Products for Electric,  
Autonomous and Low Fuel Consumption"

No. 86 (October 2018)  
Special issue on  
"Robotics and Sensing Products  
and Machine Tools"

No. 85 (October 2017)  
Special issue on  
"Automotive Products  
and Electric Module Products"

No. 84 (November 2016)  
Special issue :  
Green Energy Products and Machine  
Tool / Manufacturing Technology

**2. Introduction of technical reviews**

No. 83 (October 2015)  
Special issue for  
Automotive Module Products

No. 82 (October 2014)  
Special issue :  
Composite Material, Technology  
and Products for Industrial Machines

No. 81 (November 2013)  
Special issue :  
Automotive Products  
and Technologies

No. 80 (October 2012)  
Special issue :  
Environment and Energy

No. 79 (November 2011)  
Special issue:  
Automotive Technologies

No. 78 (October 2010)  
Special issue:  
Products for Industrial Machinery  
and Elemental Technologies

No. 75 (October 2007)  
Special issue:  
Automotive Environmental  
Technologie

No. 74 (November 2006)  
Special issue:  
Products for Industrial Machinery

No. 77 (December 2009)  
Special issue:  
Efforts for the Environment

No. 76 (October 2008)  
Special issue:  
Elemental Technologies

No. 73 (October 2005)  
Special issue:  
Automotive Products

No. 72 (October 2004)  
Special issue:  
Machine Tool Bearings  
and Precision Apparatus Products
