

# Appendix Table

## Appendix Table Contents

Appendix table - 1: Boundary dimensions of radial bearings (Tapered roller bearings not included) .....	I- 2
Appendix table - 2: Boundary dimensions of tapered roller bearings .....	I-10
Appendix table - 3: Boundary dimensions of single direction thrust bearings .....	I-14
Appendix table - 4: Comparison table of SI and CGS series gravity units	I-20
Appendix table - 5: SI-customary unit conversion table .....	I-20
Appendix table - 6: Tenth power multiples of SI unit .....	I-21
Appendix table - 7: Dimensional tolerance for shafts .....	I-22
Appendix table - 8: Dimensional tolerance for housing bores .....	I-24
Appendix table - 9: Basic tolerance .....	I-26
Appendix table -10: Viscosity conversion table .....	I-27
Appendix table -11: Kgf to N conversion table .....	I-28
Appendix table -12: Inch / millimeter conversion table .....	I-29
Appendix table -13: Hardness conversion table (reference) .....	I-30
Appendix table -14: Kg to lb conversion table .....	I-32
Appendix table -15: °C to °F conversion table .....	I-33
Appendix table -16: Greek alphabet list .....	I-34
