

Dear Customer

Notification of the End of Sales of Some NTN BEAREE MLE Bearings

Thank you very much for your patronage. Due to the end of manufacturing of some BEAREE MLE bearings, we regret to announce that we will end sales of the following "Products for which sales will end" as soon as inventory runs out, in or after April 2021. We are very sorry for the inconvenience, and ask for your understanding.

[Products for which sales will end]

Name	Type	Dimensions
MLE*	Straight type	Inner diameter 65 mm or more
MLEF	Flanged type	All dimensions
MLEW	Washer type	All dimensions

*We will continue sales of the straight type with inner diameter of 60 mm or less.

Due to this change, sales will end for products on the pertinent pages of the catalogs below. In addition, the catalogs "MLE ベアリング" and "MLE Bearings" will go out of print.
